Profiles of the loving couple:

A 24-year-old freelance writer. Goes by the nickname "Maa-kun." Lives with Misono. She's androgynous, and has plenty of friends of both genders. She's the butch in the relationship, of course.

Fujisawa Misono

Twenty-three years old. Works as an OL* for a foreign company. Currently lives with her girlfriend, Maa-kun. She's popular with men too, but right now she's too immersed in her relationship with Maa-kun to pay much mind to that. She's the femme in the relationship.

*Office lady: a female office worker who performs menial tasks

MAA-KUN'S GOING TO BE MAD.
...But I can't run, I'm too tired.
We're in love, but it's a bit different from my past relationships,
I'M HOME!
